

As the leader in the developmental services sector, Bethesda Community Services is currently recruiting those interested in supporting individuals with developmental disabilities.

Located in the Niagara region, we are a non-profit organization that provides a variety of services and supports for adults and children.

We envision ourselves as a community of support that inspires, encourages and empowers children, youth, and adults with special needs to live fulfilled lives. We value respect, diversity and inclusivity, collaboration and compassionate quality service. Bethesda is currently seeking part-time Developmental Support Workers who embody these values, and can demonstrate them day-to-day with the people we support.

Bethesda offers staff competitive wages, career advancement, First Aid and Safety Care training as well as the option of joining our HOOPP Pension Plan.

Successful candidates will possess the following:

- Experience and education in supporting people with developmental disabilities
- Experience and education in supporting people with behavior challenges
- Experience and education in supporting people who are medically fragile
- Availability and flexibility to work a variety of shifts
- Exposure or experience with data collection and report writing
- Ability to provide support in a respectful manner
- Ability to work independently as well as part of a team
- Strong decision making and prioritizing skills
- Passion and dedication in their work

If you are interested and qualified for this position, please submit a cover letter and resume to:

careers@bethesdaservices.com

Bethesda will provide, upon request, accommodation to the materials and processes used in the recruitment process in accordance with the Accessibility for Ontarians with Disabilities Act, Integrated Accessibility Standards.

We thank all applicants for their interest but regret that only those considered for an interview will be contacted.
